NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Thursday, August 4, 2016:

MINUTE entry before the Honorable Ronald A. Guzman: Based on its review of the parties' supplemental filings, the Court strikes without prejudice both the Defendants' motion for summary judgment [82] and Plaintiff's motion for partial summary judgment [89] pending Plaintiff's submission of a variance application regarding the number of parking spaces it provides, and completion of that process according to the procedures set forth in the City's Zoning Code. In issuing this order, the Court is not opining on whether Plaintiff needs, or the City should approve, any particular variations or conditional use permits Plaintiff may seek. The parties may renew their motions for summary judgment, if necessary, after the variance/conditional use process is complete. The parties are directed to inform the Court no more than 5 days after a decision on Plaintiff's variance application (and any conditional use permit request) is issued. In the meantime, this case is stayed.
